

Coach's Responsibilities at the Ryan Center

Our new St. Alphonsus gym/auditorium is a beautiful facility and as coaches we have a responsibility to help ensure it is maintained properly. The following gym/auditorium rules will help keep the facility in good condition:

**** No food, drink or gum** is permitted in the gym. For practices, players may have water or sports beverage in plastic, closed containers. **These must be kept in the entryway, and are not permitted in the gym.**

- > For games drinks must be in enclosed containers and should be kept in the provided plastic holders provided for each team.
- > No **cans or soft drinks** are permitted in the gym.
- > No smoking or other tobacco products are permitted in the facility.
- > Spectators are not permitted on the court during games (before, at halftime and after).
- > Only the volleyballs/basketballs provided by St. Alphonsus will be permitted in the gym.
- > Due to sprinkler heads, no balls are permitted in the locker rooms at any time.
- > Shoes worn to the gym will not be permitted on the gym floor. Players and cheerleaders must carry their playing shoes into the gym.
- > Only soft rubber heeled and soled shoes are permitted on the gym floor.
- > Players, coaches and fans using the gym for any event are always expected to display positive behavior.
- > All events involving children must be supervised by an adult. Children are not permitted in the facility unless you or their parent is present.
- > Students are not permitted to reenter the school once they arrive at the gym.

- > Students are not permitted on the stage, neither during practice nor during a game (even if their parents are scorekeepers).
- > No games or practices are permitted during Saturday evening and Sunday masses. The first event on Sundays cannot start prior to 1:30 PM.
- > Coaches are responsible for the following facility maintenance:
 - + The first team using the gym for the day must sweep the floor prior to play.
 - + The last team using the gym (or if you are unsure if you are the last team) for the day must sweep the floor, clean up trash, turn out lights, inspect the bathrooms and check all entry doors to ensure they are locked.

Any problems found during the use of the facility need to be reported to either the school office or the gym coordinator as soon as possible.

- > Admissions for games are:
 - + \$2.00 for adults, \$1.00 for students or \$5.00 for a family
 - + All St. Alphonsus students will be admitted free.
 - + Season passes for all St. Alphonsus sporting events can be purchased for \$20 a person.
 - + All fans entering the game will have their hands stamped.

Thanks in part to the cooperation of the Expansion Committee, the Athletic Association and the Rules Committee for their thorough assessment of our gym. Though the list may seem thankless, we have to believe that by starting off with the proper care and respect for our facility, it will be a beautiful facility for many to appreciate for years to come. Thank you for your time and efforts in providing our students with an opportunity to grow in their athletic abilities.
