

## St. Alphonsus School Welcomes You to the Ryan Center

St. Alphonsus' new gym/auditorium is a beautiful facility and we are looking forward to welcoming you to the Ryan Center. We would like to provide all teams a set of rules that will help us keep the facility in good condition. The following gym/auditorium rules apply to your student athletes, coaches and fans:

- For most games the concession stand will be open; however, no **food, drink or gum** is permitted in the gym.
- Players may have water or sports beverages in plastic, closed containers in the gym. The player's drinks should be kept in the provided plastic holders behind the player's chairs.
- No **cans or soft drinks** are permitted in the gym.
- No **smoking or other tobacco products** are permitted in the facility.
  
- Spectators are not permitted on the court during games (before, at halftime and after).
- Only the volleyballs/basketballs brought by your coach will be permitted in the gym.
- No balls are permitted in the locker rooms.
  
- Shoes worn to the gym will not be permitted on the gym floor. Players and cheerleaders must carry their playing shoes into the gym.
- Only soft rubber heeled and soled shoes are permitted on the gym floor.
- Players, coaches and fans using the gym for any event are always expected to display positive behavior.

Thank you for helping keep our new facility beautiful

Sr. Mariella Bradley, R.S.M.  
Principal

The St. Alphonsus Athletic Association
